JUNE 2014

Hope everyone enjoyed their memorial day and to all our veterans Thank You for Your Service.

We had a full meeting last month. Bonnie presented a program on Resources that was thoroughly enjoyed by everyone.

Tim J started with a grading exercise on a LSQ! Members graded it between a VG 10 thru F 15.

The trivia question was there are three U.S. Coins with a private companies name on it, name 2. No one could answer so Marie threw out a hint: "the person on the coin had a stove named after him." Stan figured it out and won. The Liberty Bell on the Franklin Half has the name of the foundry that worked on the bell, Pass and Stow. The other two coins were the 1976 Bicentennial Dollar and the 1920 Sesquicentennial of the American Independence Half Dollar all of which has the Liberty Bell on them.

Keep those Show and Tells Coming:

Martin presented a National Baseball Hall of Fame Gold \$ 5.00 Coin, Graded by ANACS as Proof 69. He also had a Baseball Hall of Fame Half Dollar Graded by ANACS as Proof 70. The natural Curve of the Glove and Baseball are captured in this unique dome shaped coin.

Howie Klein showed a 1866 Mexican Peso with a low mintage of only 2,148. This coin is 90% silver

Evens Young brought a were large 1992 15,000 Franc 1 Kilo (2.2 Pound) Proof Silver coin from Equatorial Guinea.

Neil had 2 news articles on Mormon Gold that was recovered from the S. S. Central America, & onj stamps and coins from the 1968 Hemis Fair 68 in San Antonio, Texas.

Last months raffle netted \$ 55.00. With that money we bought the following coins to raffle in June

1. 2014 CANADIAN MAPLE LEAF 1 OZ. .9999 SILVER COIN
2. SBCC ½ OZ .999 SILVER MADALIAN
3. 1976 D KENNEDY HALF, PCGS MS 69 CLAD
4. 1986 S LIBERTY HALF DOLLAR, PCGS PROOF 69 UC
5. TRIVIA PRIZE 1926 STANDING LIBERTY QUARTER

Tim J asked members to bring lights for June's program.

Next meeting Wednesday, June 4, 2014.
