

# South Brevard Coin Club

## Monthly Newsletter

**MAY 2015**

**Club Meeting is at 7 PM, Wednesday, MAY 6th**  
**(doors open at 6 PM).**

Spring has sprung and our Annual Spring Picnic was a hit. We again opted for Thomas Ballard Park and had a beautiful day. For the first time in a while, we had lunch provided MeMaws and it was Deelicious. Bonnie worked her usual magic with the entertainment. There was something for everyone; Chinese Auction, Quarter toss, a huge ball the encased lots of prizes, and of course, our candy games. If you didn't come you missed loads of fun; hope you will join us next year.

We also held our regular monthly meeting last month. At the meeting, Stanley presented a fabulous program on his journey to coin collecting. Even in to the early seventies Stan could pull silver coins from change. Today, he gets boxes of coins and diligently goes through them and he's had lots of finds. He shared his full set of Hawaiian coins containing a 1847 penny, 1883 dime, quarter and half dollar. Stan has almost a full set of early commemorative half dollars, a full set of Canadian cents, he started a set of ½ us cents and is four coins short of a set of large U.S. cents.

Bob M will be presenting our May program on metal detecting. He will be bringing some tokens he has found when detecting. If you missed Bob's talk last year, it was a big hit. Don't miss this one!

We had our usual suspects for Show and Tell:

Martin shared the new March of Dimes Uncirculated Silver Dollar celebrating the 75th anniversary of the establishment of the March of Dimes. This coin with the P Mint mark has a mintage limit of 500,000.

Neal also had the March of Dimes Silver Dollar. However, Neal's was the proof with a W Mint Mark and also has a 500,000 mintage limit.

Howie shared his 1826 U.S. 50 cent piece.

**BONNIE SAYS:** The Red Books are in. She has (~~4~~) regular and (~~3~~) Large Print copies. If you did not Pre-order, get them at the May Meeting
